Office Memorandum

No. TEC/10/2018-TC (Pt.III)

Dated: 26.07.2019

Sub :- Exemption from submission of test reports against few parameters

This is with reference to this office addendum no. TEC/10/2018-TC (Pt. III) dated 05.07.2019 on cited subject. In this regard, applicants, seeking exemption from submission of test reports against few parameter (s) for certification of their telecom equipment under MTCTE, shall send the information in prescribed proforma on email to dirta.tec@gov.in with copy to ddgtc.tec@gov.in well in advance of submission of application for certification. The proforma is attached herewith as well as with user instructions.

Information submitted by the applicants for telecom product will be deliberated and the parameter(s) in TEC and exemption(s), if agreed, shall be conveyed by e-mail to such applicants, following which they can create the application for certification. These exemptions will also be notified under downloads of MTCTE portal and under MTCTE TAB of TEC website. Such exemption shall generally be applicable to all the applicants for respective product and shall be available to the applicants upto 31st March 2020.
